About Us

West Wynde Health Services, Inc. is an established health care agency that has been licensed by the state of Texas to meet the home health care needs of patients in Houston and surrounding areas. WWHS specializes in providing Licensed RN's and LVN's to administer skilled nursing care ordered by your physician, and education to assure each individual's health care needs are met. Our Certified Home Health Aides are available to assist with the activities of daily living and personal care services.

Assistance with light housekeeping, shopping, laundry, escort and meal preparation can be provided by our personal assistant service attendants. Other licensed professionals, Occupational/Physical therapists, Speech Pathologist and licensed Social Workers are available to provide rehabilitation and support services, if ordered. Health Care services are offered to individuals in private, group, and nursing home settings, as well as clinics and other health related facilities.

West Wynde Health Services, Inc. is certified as a Provider of Home Health Services under the Medicare and Medicaid Programs.

We are also certified to accept clients under, MDCP, PCS, Molina HMO, UNICARE HMO, as well as other private insurance.

Cash payments can be arranged for those individuals with limited health coverage needing prescribed home health care
